Amend C.S.S.B. 642 by striking Sec. 4 and substituting in lieu thereof the following:

"Sec. 4. Transit Authority Board. The management, control and operation of an authority and its properties shall be vested in a board composed of nine members, five of whom shall be appointed by the governing body of the principal city, two of whom shall be appointed by the commissioners court of the County with the largest population of all counties situated in whole or in part within the boundaries of the authority, and two of whom shall be appointed by the mayors of all incorporated cities, towns and villages (except the principal city) situated in whole or in part within the boundaries of the authority. Three of the members appointed by the governing body of the principal city, one of the members appointed by the commissioners court, and one of the members appointed by the incorporated cities, towns and villages (except the principal city) shall serve for an original term of one year and all other members shall serve for an original term of two years. Thereafter, all members shall serve for a term of two years.

"The mayor of the city of largest population (other than the principal city) within the authority shall serve as chairman of an appointment board composed of all mayors of cities, towns and villages situated wholly or partially within the authority (excluding the principal city) and shall, by notice in writing to all members, call such meetings of the appointment board as may be deemed necessary to appoint a member to the board. Initial appointments shall be made within 60 days after the creation of an authority. Failure to make such appointments shall not impair the authority of the board to organize and conduct its business so long as a majority has been appointed and qualified. All vacancies on the board, whether by death, resignation or termination of the term of office, shall be filled for the remainder of the term in the manner provided for the original appointment of the member whose office becomes vacant.

"Each member of the board shall be entitled to the sum of \$50 for each meeting of the board which he attends, not to exceed five meetings in any calendar month; and shall be reimbursed for his necessary and reasonable expenses incurred in the discharge of his duties.

"The members of the board, who shall be resident citizens and qualified voters of the authority, shall elect from among their number a chairman, a vice-chairman, and a secretary. The board may appoint such assistant secretaries, either members or nonmembers of the board, as it deems necessary. The secretary and assistant secretaries shall, in addition to keeping the permanent records of all proceedings and transactions of the authority, perform such other duties as may be assigned to them by the board. No member of the board or officer of the authority shall be pecuniarily interested, directly or indirectly, in any contract or agreement to which the authority is a party.

"Any member of the board may be removed from office by a majority vote of the remaining members of the board for inefficiency, neglect of duty or malfeasance in office; provided, however, that the board shall furnish to such member a statement in writing of the nature of the charges as grounds for such removal which shall become final unless the member, within 10 days, requests a hearing before the board and opportunity to be heard in person or through counsel. After any such hearing, if the board by a majority vote finds that the charges are true, then its decision shall be final.

"The board shall hold at least one regular meeting during each month for the purpose of transacting the business of the authority. Upon written notice, the chairman or the general manager may call special meetings as may be necessary. The board, when organized, shall by resolution spread upon the minutes, set the time, place and day of the regular meetings, and shall likewise adopt rules and regulations and such bylaws as it may deem necessary for the conduct of its official meetings. Five members shall constitute a quorum of the board for the purpose of conducting its business and exercising its powers and

action may be taken by the authority upon a vote of a majority of the board members present unless the bylaws require a larger number for a particular action."
